“REACHING AROUND THE WORLD”

Matthew 6:20

“But store up for yourselves treasures in Heaven, where moths and vermin do not destroy, and where thieves do not break in and steal.”

Work that is done for the Kingdom is eternal. The stream of Living Water begins to flow inside the hearts of those who turn to Christ, stretching their existence to a world beyond this one. They become everlasting treasures, joining the saints who have gone before them.

Millions have yet to learn of this Water. The harvesters have more work to do. Join us in “Reaching Around the World with the Word”, storing up treasures in Heaven who will be waiting to meet you there.

India: Pastor David Varghese reports that the church that he pastors in Puthukudi is growing. This requires that he spend every weekend from Friday to Sunday evening there. He hopes to find a new pastor to assign to this church. He also plans to build a prayer house in the village of Nathampatti, where a well was dedicated last May.

In 2014, a temporary prayer house was built on a narrow strip of land between two dwellings in the village of Ambai after several villagers accepted Christ at the dedication of a new well. The Hindu owner of one of the dwellings now insists that the temporary prayer house be removed from next to his home. Funding is needed to complete the construction of the permanent building in a different location. If you would like to provide for any of these financial needs, visit us at www.newharvest.org.

The new school year for the orphan children began on June 7. All students advanced to the next grade. Your generous giving allowed them to purchase uniforms, books, and other school necessities.

Pastor David and Usha are searching for a Christian college for their eldest daughter Gracelin to attend this fall. Please pray for them as they seek God’s guidance and direction for her education.

Zambia:

Pastor Geoffrey Chibuye of Zambia reports that, due to urbanization, the population of his country grew from 14 million to 17,101,500 in just three years. Every day, 605 people between the ages of 20-40 die, 106 of them in the capital of Lusaka. Most of them die without Christ. During the first week of July, Pastor Geoffrey and his wife Vickness held three days of revival meetings with the help of many other believers. Many people were healed of illness and over 1,300 people came to Christ! Praise God for this new harvest of souls! Pastor Geoffrey writes, "Join us in celebration for people [who] got saved during our meetings. We give thanks and praise to the Almighty God for using many men and women of God who worked and stood along side with me and my wife to pray and lead many souls to Christ. I will fail my duty if I don't express our profound gratitude to you and many more in USA for your financial and prayer support."

Pastor Geoffrey and his congregation in front of their church that needs a new roof.

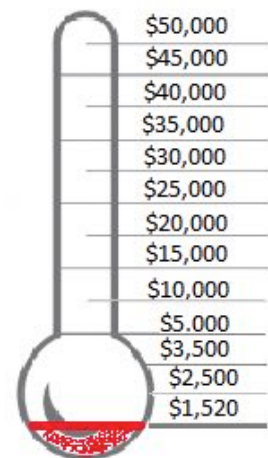

Their church still needs a roof, windows and doors. It is currently their cold season and they had to spend over \$200 to rent a hall and chairs to hold services. Please pray for and consider how you can help with this financial need.

On a personal note, Pastor Geoffrey's elder brother passed away on June 26. Please pray for his family during this difficult time.

Cuba:

We are making progress toward Pastor Rene and Neicy's new home, but we still have a long way to go! Neicy's heart condition can cause rapid, chaotic heartbeats. It is not uncommon for her to be rushed to the hospital at a moment's notice. Their new house would move them to within 20 minutes of the hospital. They would also be closer to the church that Pastor Rene leads, in the center of the 17 churches that he is presbyter over, closer to the university that their daughter Larissa will be attending, and a better school for their daughter Melissa. Please consider helping us raise the \$50,000 that will make this move possible.

Pastor Rene and Neicy plan to visit the United States in October and November of 2017. We will be arranging speaking engagements for them. Contact us if you would like them to share how God is moving in their country and ministry with your church or group.

Tanzania: Pastor Laban Ndimubanya provided this picture of tree seedbeds that will be transplanted after they sprout in December. They will be grown for timber to support their ministry. He also reports that the nation-wide conference that was held in the middle of June was successful with the Holy Spirit moving in power, changing hearts and lives.

Pastor Laban's home is a 45 minute drive from the church that he pastors. He has no vehicle. Property with a dwelling has been purchased across from the church, but the dwelling is uninhabitable. Please pray for God to provide the funds to refurbish this home for Pastor Laban and Anna.

Mr. Siva turned 9-years-old on June 28, 2017! He lives at a New Harvest supported orphanage in India. Pastor Varghese reports that this young man is in the 5th grade and his school work is excellent. He enjoys playing Hide & Seek, Tag, and Marbles. Thank you for supporting Mr. Siva and his "brothers" at the boys' home in India.
