HARVEST MINISTRIES *Int'l Inc.*

*“REACHING AROUND THE WORLD WITH THE WORD”*

*Psalm 67:1-3*

*“God be merciful to us and bless us, and cause His face to shine upon us. That Your way may be known on earth, Your salvation among all nations. Let the peoples praise You, O God; let all the peoples praise You.”*

We are truly blessed to be used by God to bring His Word to the nations, that the people may learn His ways and find His salvation. We are then blessed to witness the peoples praising the God they have come to know and put their trust in. Glorious praise erupts from people who have been brought out of their darkness and hopelessness into the light of Truth and salvation in Christ Jesus. We are thankful for all of you who partner with us to awaken the nations to the mercy of God.

*Tanzania:* The season continues for the agricultural work to be accomplished. Planting of the field crops and the fruit trees is going forward as 10 additional acres are cleared and brought under cultivation this year. The churches are strong and doing well. Pastors and leaders are doing a wonderful job as they continue to reach into more of the remote villages to plant more churches. Pastor Laban just reported that along with the NHM churches all across Tanzania, there are NHM churches in Burundi, the Democratic Republic of Congo, and a New Harvest Church has been started in Nairobi, Kenya as well.

*Cuba:* We enjoyed a wonderful trip to this island nation. Ministry started with a Pastor Seminar with about 40 pastors and leaders present. Each day thereafter, we ministered morning and evening to churches and home groups. We were with 15 groups in 8 days, taking Saturday afternoon off to visit the sea and enjoy the sunshine and warm Caribbean waters. We found a local restaurant that served us hamburgers with real meat(?) and banana fries. We did, however, enjoy our daily meals of rice and black beans, prepared deliciously by Neisy and her girls. All of the meetings were powerful, with miraculous healings taking place each day. All of the people came with expectation to receive the word of God and the power of His touch. One woman arrived at one of the morning services in severe pain, unable to walk. She was due to go to the hospital that afternoon, but had said, “If I can only get to that service, I know that God will heal me.” Just as Jesus told the woman with the issue of blood, her faith had made her whole. After laying on of hands, she left the service with no pain - walking, dancing, and praising God! The church in Cuba is growing in number and in spiritual strength. They are going forward in their revelation of their authority in the Name of Jesus to establish the Kingdom of God throughout their land.

*India:* Pastor David Varghese reports that the orphans are doing well. They are working to improve the quality of education that they provide for these precious children. Having previously registered the orphanage under the Juvenile Justice Act per the governments requirements, they are now required to register under the Hostel Act. Please pray for them as they continue to work toward improvements while having to comply with the governments increasingly strict laws governing Christian orphanages.

Above: Widows who are being cared for at one of the orphanage facilities.

Above: Children, workers, and care givers from both the boy's and girl's orphanages have gathered for a special celebration during their school vacation days.

Above: An older New Harvest well in the village of Pulavankudiirupu was damaged, so a replacement well was drilled in a new location at the same well site. Pastor David reports that a spring was found at a depth of 40 feet, and sufficient water at 70 feet. Isn't God amazing?! Witnesses state that the government had previously drilled 300 feet deep without finding water. On February 6, 2017, a large crowd gathered at the well dedication to hear the gospel. The love of Jesus was preached and touched the hearts of many. They promised to attend church on Sunday.

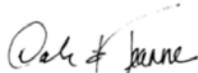

Preparations are being made for the annual convention, which is scheduled for April 20-23, 2017. A prayer house is being built on the convention grounds for the ladies to live in during the convention. They are also making plans to build a prayer house at a new bore well village. Please pray for the success of these projects, as well as the convention that will be held, and the men's prayer house that will be built soon thereafter.

*Zambia:* Wonderful reports continue to pour in from this African nation. Over the period of the past 2 months, Pastor Geoffrey held 17 open air meetings in surrounding cities and villages. A total of 913 people came to salvation in Christ Jesus and many were miraculously healed and set from demonic oppression.

Shortly after returning home, his wife was attacked with a severe case of malaria. She collapsed and was taken to the hospital where she remained unconscious for two days. While there, they found that she was also diabetic and suffering from high blood pressure. With doctors care and much prayer by the Believers there, she has returned home and is regaining her strength. Please keep her in prayer as she continues the recovery process.

*Leave a Legacy:* You can leave a GOSPEL LEGACY — of “reaching around the world with the Word”. By including New Harvest Ministries in your will, you can touch countless souls with the power of the gospel and help to feed and care for the orphans and widows for years to come. Prayerfully consider this option to make a profound impact in the lives of multitudes.

*Yours For The Harvest,*

Dale & Jeanne Scholten *This color letter is printed and donated by a New Harvest Ministries supporter.*
