“REACHING AROUND THE WORLD WITH THE WORD”

Matthew 30:24

“So Jesus had compassion and touched their eyes. And immediately their eyes received sight, and they followed Him.”

Jesus touched and healed indiscriminately. The blind, the crippled, the leprous, the sinful, and the unclean. His scandalous love violated the norms of his culture, bringing hope to the seemingly most undeserving. To this end, NHMI reaches out to unknown villages and hidden communities. For we know that to heal God's forgotten people we must touch, and we cannot touch if we do not reach.

Thank you for joining us to be the hands and feet of Jesus “Reaching Around the World with the Word”.

Tanzania: Millions of Tanzanians have yet to hear the name of Jesus Christ. Pastor Laban Ndimubenya has devoted his life to sharing the Gospel with the people of his country. His mission includes training pastors to reach areas that he cannot.

On October 22, 2017, New Harvest Bible College Tanzania held graduation ceremonies. One-year certificates were awarded to 33 students who have completed three trimesters of classes including New and Old Testament Survey, Praise and Worship, Power Evangelism, and Church Planting. Twenty-one students who have completed their two-year degrees received diplomas. These students are required to complete two additional trimesters of classes including Developing Leaders, Spiritual Warfare, Ministering to Youth, and Biblical Eldership.

A NHMI supporter generously provided \$1,000 toward Pastor Laban and Anna's new house located across from the church that they lead. Praise the Lord for His loving provision! They still need \$9,000 to make the home livable. Please consider how you can help with this need.

Zambia: Pastor Geoffrey Chibuye continues to spread the Gospel in open-air meetings throughout Zambia. Thousands surrender their lives to Christ each year. These meetings are followed by baptisms and a need for more pastors and churches.

In these photos, Pastor Geoffrey preaches the Word of God to his congregation in their roofless church. When it rains, they are forced to rent a hall. Money is a constant need and concern. Please consider how you can help provide for his vital ministry.

India: Pastor David Varghese of India reports that about 20 people accepted Christ as their personal Savior and nine people were baptized between September 24 and 27. Most were previous idol-worshippers and one woman converted from sikhism. Praise God for these new lives in Christ!

Persecution continues at the church in Colechel. Authorities prevent them from holding prayer meetings, insisting that the building is sanctioned as a house. Meetings that Pastor David has held with the original petitioners of the complaint have been unfruitful, but he expects to see God work a miracle. Please pray for God's truth to be revealed, hearts to be changed, and the faith of the church to grow stronger through this trial.

NHMI has obtained a large box of shirts for the orphans in India, but \$125.00 is needed to mail them. Contact us or donate online if you would like to help.

Cuba: Cuba still works to recover from Hurricane Irma. Please pray for Pastor Rene Casares Rodriguez, his family, and the church in Cuba as they put their lives back together while being the hands and feet of Jesus to those who are still without the hope of Christ.

Join Us: Join us at Fuzzy Peach, 111 E Main Ave, Zeeland, Michigan, on Tuesday, November 14, from 7-9 p.m. for froyo, fun, and PRIZES! We will be there to meet you and share stories of what we have witnessed God doing around the world! You will get an opportunity to join us in the adventure and possibly win a prize! 20% of all frozen yogurt sales will go directly to NHMI and to God's children in Cuba, India, Tanzania, and Zambia. We can't wait to see you there!
