“REACHING AROUND THE WORLD WITH THE WORD”

1 John 4:19

*“We love because he
first loved us”.*

God’s love is powerful. It changes the way we view the world, the way we respond to people, and the way we live. It heals and liberates. It guides and directs. It gives purpose and hope.

Each day is another opportunity to take the lamp out from under the bowl and let it light the way for our loved ones, friends, and neighbors who still walk in darkness. Let us make the most of each opportunity before us. Let us shine the light of Jesus so brightly that the whole world will be able to see the Way, the Truth, and the Life.

India: Pastor David Varghese reports that a new well will be drilled in the Khammam District, Andhra Pradesh, thanks to the financial support of a NHMI supporter. They have also began work on the Ambai prayer house, which will measure 396 square feet. Please pray that the town commissioner will follow through with sanctioning a house number for the building.

Quarterly exams took place for the orphan children during the second week of September, which was followed by a ten day holiday. All of the children are making progress.

Tanzania: Rapid growth of the church and ministry in Tanzania brings a great financial need. The conference that will be held October 18-22 requires \$6,500. This conference provides pastoral and leadership training for the leaders of all of the NHMI churches in the region. Land/soil preparation for transplanting trees for lumber in December requires \$2,500. The growing number of churches provide a constant need for funding. Pastor Laban and Anna Ndimubanya’s current home is a 45 minute drive from their church and they do not own a car. A piece of property across from his church was purchased, but the current dwelling must be removed and a new home built. They will need \$4,000 for the first phase of this process. Prayerfully consider how you can assist Pastor Laban and NHMI Tanzania.

Zambia: NHMI of Zambia is led by Pastor Geoffrey Chibuye and his wife Vickness. Pastor Geoffrey recently shared his powerful testimony.

“I came to know and accepted Christ as Lord and Savior in 1976, this was after an American Missionary preached John 3:16. From that day to [this] date my life... {has} never been the same. I always feel indebted to all American Christians who gave financial support to that Missionary to preach... Christ crucified.

I answered God's calling into full time pastoral ministry in 1983. After Bible College in 1987, I was... called by one Baptist church as pastor. However, in June 2004 I happened to serve as recording secretary in a committee which was making preparations... for [a] one weekend crusade. Evangelist Herbert Stewart and Pastor Dale Scholten were speakers during the crusade. For three days in the morning and afternoon before crusades we had pastors and church leaders lessons and I happened to interpret for them. After each lesson, I felt the Spirit of God connecting me with these two men. Little did I know that they were also having the same experience. In 2005 I received an invitation from them to visit the ministry in Holland, Michigan. [In] 2006 I was hosted by the ministry for two months. This is my story behind the ministry [I] am doing since that time. I spend more time going out reaching lost souls. God has been faithful in bringing many people into his Kingdom through open air meetings.

I thank God for these two... men and indeed the ministry for supporting me in a way they can financially. Keep on supporting this ministry to enable it [to] support us in sharing the Gospel of our Lord Jesus Christ. May God bless our partners and New Harvest Ministries International.”

Pastor Geoffrey reports that 189 people were saved and 52 rededicated their lives to Christ at a four day conference that ended on September 24, 2017. Approximately 120 people will be baptized in October. Praise God for blessing the Harvest!

Cuba: Pastor Rene, his family, and the churches that he oversees are all safe after Hurricane Irma. We are grateful for God's faithfulness and protection. However, the strong winds and flooding of almost ten feet of water caused extensive damage to homes, businesses, and streets. Roofs caved in, buildings collapsed, and lives were lost. Please pray for this country as they continue the clean-up process and attempt to rebuild their lives. We will notify you of any opportunities to provide for specific needs.

Abinesh lives in the boys' orphanage run by Pastor David Varghese and his family in Tamil Nadu, India. He is twelve-years-old. He enjoys school and likes to play Kabaddi, Cricket, and football. Your support provides him with food, clothing, shelter, safety, an education, and an environment of Christ-like love. Thank you for providing for his present and giving him hope for the future.
