“REACHING AROUND THE WORLD WITH THE WORD”

Lamentations

3:22,24

“Because of the LORD’S great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness.”

God’s mercies are new every morning, His faithfulness is real every day, and our commitment to carry His message to the ends of the earth is renewed at the turn of each year. The people’s needs are consistent, though faces may change. Thank you for your partnership in bringing the truth and hope of Christ’s love to the constant need of this evolving world.

India: A cyclone hit the Kanyakumari and Kerala districts on November 30, 2017, knocking down several trees and more than 4,000 electric poles. This affected Pastor John’s church at Colachel. They were without electricity for one week. Many people lost their lives, including several fisherman on the Indian Ocean. God’s protective hand was on five fisherman from Pastor John’s church who saw waves rise to the height of a three-story building and take down their boat. Praise God for His miraculous intervention. Please pray for the families who are grieving the loss of their loved ones, that God will comfort them and draw the hearts of those who do not know Him close. Also pray for Pastor John, who injured his rib while trying to remove a fallen tree.

Pastor Edwin has moved with his wife and child to Sirsa, Haryana to begin ministry there, and is holding weekly meetings in his home. Please pray for blessings and protection for his family and new ministry.

In our December newsletter we mentioned 9-year-old Muthu Raj, who was experiencing a mild attack of epilepsy. Pastor David reports that Muthu Raj has been healed after a visit to the doctor and with prayer & faith. We praise God for His work of healing in this young boy. Please continue to pray that the symptoms do not return. Also pray for the many people currently suffering from dengue fever.

The ministry is growing rapidly in India. Land that has been located for a new bore well in the Khammam District, Telangana is also sufficient to build a church and parsonage. The church in the village of Puthukudi needs expansion to hold this growing family. Please pray for God to provide the workers for the harvest and funds to support the work.

Zambia: On Saturday, December 9, five pastors traveled out of town with Pastor Geoffrey to baptize 106 people! Praise God for these souls who have committed to following Jesus! His church is still in need of a roof. Please pray for the funds to be provided.

We Praise God in that Pastor Geoffrey’s granddaughter Melissa was recently bitten by a poisonous snake, but is now recovering.

Tanzania: **Below:** In July, workers planted seeds for trees. The tree seedlings have grown quickly and workers are currently transporting and transplanting them. When the trees are mature, they will be sold as lumber to support the ministry of NHMI Tanzania and pastors.

Above: The Nyargusu Refugee Camp in Tanzania is under the care of the United Nations Human Rights Council (UNHRC). The Burundian refugees in this "camp" are not allowed to leave the grounds or work. Recent heavy rains have caused the collapse of several homes as well as a church building where over 300 Christians worship.

Below: The heavy rains also caused this church in Katumba to collapse. The villagers attempted to rebuild using sticks (photo on the left). Pastor Laban convinced them to build a safer church with stronger materials (photo on the right). They will need \$4,800 to complete basic construction of both churches.

Cuba: Neicy's Zika virus test results were negative! Praise God! Thank you for praying for this concern. Please continue to pray for her health as her heart issues are a constant concern. Also pray for the continued recovery work from the hurricane.

"...to look after widows and orphans..." James 1:27

Paramesh lives in the boys' orphanage in Tamil Nadu, India. He turned 14 years old on December 7. His favorite games are Kabaddi and Cricket. When he grows up, he will be a soldier. He is already a soldier of God. His favorite Bible verse is Psalm 47:7, "For God is the king of all the earth: sing ye praises with understanding."
