“REACHING AROUND THE WORLD WITH THE WORD”

1 John 4:11-12

“Dear friends, since God so loved us, we also ought to love one another. No one has ever seen God; but if we love one another, God lives in us and His love is made complete in us.”

Love has many faces. Kindness to a stranger, food for the hungry, shelter for the homeless, time with the fatherless... Each face has something in common: sacrifice. Love at its purest requires sacrifice. Jesus provided the greatest example, instructing us to follow with all that we have. Thank you for sacrificing with us to carry His love around the world.

Tanzania: Anna Ndimubenya is currently in Turiani, Morogoro, where she was invited to speak. She recently spent a week in Dar es Salaam, ministering to a church in the area. This church is currently meeting in a temporary structure while constructing a larger, stronger, permanent building nearby. Thank you for your continued support that builds new churches for God's people in Tanzania.

India: Pastor David Varghese found land in another remote village that appears to be good for a bore well. The 200 homes in the village desperately need clean water, so he is investigating the potential of purchasing the land.

Their annual general convention will take place April 19-22, providing an opportunity for evangelism and encouragement for Indian believers to grow closer to God.

Zambia: The cholera outbreak has been brought under control, however Pastor Geoffrey Chibuye's church is prohibited from meeting until certain health code requirements are met. Thanks to Ammie Bouwman and the supporters of her ministry, *For His Glory Ministry*, over \$1,400 was raised and wired to Pastor Geoffrey. Praise God for His abundant provision! More is still needed for the roof, flooring and sanitation needs. Pastor Geoffrey knows that the God who owns the cattle on a thousand hills is in control and ready to pour out His blessings on His people. He agrees with our declaration of God's word:

This is how we declare the promises of God's word. For those promises to become a reality in this realm, we must declare them with faith. Then speaking God's word, we are releasing His power as He said in Isaiah 55, when He sends His word, it will accomplish the purpose for which He sent it. God says we are the head, not the tail. We are above, not beneath. We are the lenders, not the borrowers. We are blessed going in and we are blessed going out. We are blessed in the city and we are blessed in the field. We are blessed to bless. In Galatians 3, it says Jesus took the curse for us that we might receive the blessings of Abraham. We are believers, therefore we are receivers. We are givers, therefore it is being given to us pressed down, shaken together, running over, with good measure. The enemy has been rebuked for our sake, and the windows of Heaven have been opened to pour us out a blessing we can't even contain.

Below is Pastor Geoffrey's church. Torrential rains have prevented them from completing the cement floor at this time, so workers have been constructing trusses for the roof. Five of the seven needed are now complete. \$4,735 is needed to finish the entire project, including the trusses and roof steel.

Cuba: Pastor Rene reports that recovery efforts after the hurricane are slow, but the churches and families are doing well. They are very busy with the church, bible college, and presbytery. Please pray for their continued recovery and for a spirit of revival to sweep the country.

"...to look after widows and orphans..." James 1:27

Abinesh lives in our orphanage in India because his father is deceased and his mother is disabled. He hopes to be a driver when he grows up. He enjoys Kabaddi, Cricket, and soccer, and his favorite Bible verse is Psalm 95:2, "Let us come before His presence with thanksgiving and make joyful noise unto Him with psalms."
