“REACHING AROUND THE WORLD WITH THE WORD”

1 Chronicles 7:14

“...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

Repentance. It is a change of direction, a change of motivation, a change of heart. It breaks the hold of the past and our sin. It frees us from the control of shame and guilt. It brings us to the feet of Jesus, where He bathes us with love and mercy. To repentance and freedom we are called, for whom the Son sets free is free indeed.

Zambia: On April 11, Pastor Geoffrey officiated a funeral for a church member. Many attendees were drinking alcohol and intoxicated. After sharing a message from Luke 12, Pastor Geoffrey led 20 people to new life in Christ, including some who were drinking. The following Sunday, all 20 of those new believers were in church with several of their family and friends! One of them handed him a note asking him to share the same message that he had shared at the funeral. He complied, and 200 more people joined the family of God that day! Praise God for this harvest!!!

Tanzania: Pastor Laban is hosting his first ever Youth Conference at his church headquarters in Mpanda June 19-25. Three hundred youth from four different countries are expected to participate in the event. Please pray for a mighty move of God's Spirit on these young people.

India: Pastor Edwin Jeyakumar is the youngest of the Varghese brothers. During his first year of college, God burdened his heart for Northern India, particularly the state of Haryana. He states that it has the second lowest percentage of Christianity in India. He did not know anyone from the state, so one night he spent in prayer, he asked God for a contact from Haryana. Within two days, a friend from his third year asked him if he would like to do his mission work in Haryana. God's answer to his prayer brought tears to his eyes.

After graduating with his Master of Divinity, he married Deepthi and had a child. In October of 2017, he moved his family into a small rental home in Haryana, more than 1,600 miles away from his brothers David and John in Tamil Nadu. Two weeks later, a neighboring family visited them and told a story about a vision that they had received a month before. The vision involved a family with one child who would be living in front of their home. Edwin and Deepthi shared the Gospel with them and they accepted Jesus Christ as their savior! Edwin and Deepthi are now leading a growing Bible study in their home, as well as working with a Bible translation ministry to have the Bible translated into the Bagadi language. Pray for their mission work in this largely unreached area.

In our May newsletter, we mentioned that the Elizabeth Day School needs to add a third floor with three new classrooms to offer 6th-8th grades. The projected cost for this project is \$15,384. Please contact our office or visit www.newharvest.or if you would like to help them.

Cuba: Pastor Rene and Neicy are in need of funds for a dependable car. Pastor Rene must travel around Havana to reach the churches that he oversees as presbyter, and their car is quite old and unreliable. Please pray for this need to be met by our Provider.

Projects: Would your church or group like to adopt a specific project? Here is a list of projects available:

Pastor Laban's house - \$9,000
Pastor Geoffrey's church - \$3,235
India school bus - \$6,000
